Sample testimonials

"Beverly is an exceptional coach. I've worked with a number of coaches over the years and Beverly has been by far the most effective and the most practical. Beverly worked with me to help define specific desired outcomes for our time together and then created an actionable plan to achieve my goals."

Luke Gregory, Global Business Marketing – Facebook

"Beverly has guided me firstly towards re-establishing my own foundations on what drives me as an individual. And secondly helped me to recognise my potential at work. She has a gift for striking the perfect balance between being supportive yet challenging. I would recommend her to those willing to conquer their own self-limiting beliefs to achieve their goals." **Anish Hindocha, Lead Operational Excellence Consultant – Visa**

"I have dealt with a number of executive coaches in the course of managing a large legal practice. I rate Beverly extremely highly and as one of the best. Her calm, supportive style enables her to quickly build relationships with candidates which enables them to make the most out of their time with her and her incisive analysis identifies the real issues to be addressed." **Gavin Tyler, Managing Partner – Cripps Law**

"Beverly is an exceptional coach who I've had the pleasure of seeing in action on a number of occasions. She has a warm and inclusive approach which, when wedded to her strong knowledge and insight, can drive excellent results." **Owen Williams, Head of Practices and Markets – Simmons & Simmons**

"The senior management team workshop led by Beverly was clearly focused, extremely practical and highly participative. Those attending commented positively on her communication style and ability to facilitate open and productive conversations. The participants were impressed with Beverly's follow-up after the workshop. She supplied a variety of very useful handouts that are enabling people to maximise the benefits gained from the experience." **Alice Didier, European Director – Laboratoire Aguettant**

"Beverly's thoughtful questioning and expertise has enabled me to successfully get to the root cause of real business problems and overcome barriers that were impeding the resolution of these. Working with Beverly has also enabled me to benefit from her vast knowledge of tips and tools for developing better working practices, improving my efficiency and effectiveness." **Jonathan Millar, Associate Director – Saunderson House**
